

3rd Press Release

2nd Transnational Project Meeting of the Project e-EUPA: “Validation of formal, non-formal, and informal learning for administration personnel through asynchronous electronic learning and online assessment”

Cham, Germany

13th- 15th February, 2024

From February 13th to 15th, 2024, our team gathered once again for the 2nd Project Learning, Teaching, and Training Activity in Cham, in Germany! This time, we delved deeper into the practical aspects of Training for Administration Personnel.

After completing the theoretical groundwork, we focused on refining our methodological tools to enhance the learning experience for our participants. Our dedicated trainers shared innovative course activities, evaluated each other's approaches, and provided invaluable feedback.

Special thanks to MMC for shedding light on how to make the most of our training platform's features, enabling us to conduct practical exercises online effectively. Together, we developed a solid action plan to propel our project forward.

Stay tuned for more updates as we continue our journey of learning and collaboration!
